

**To participants, guests and organisers  
of the 24<sup>th</sup> Ukraine International Travel and Tourism Exhibition  
UITT'2018**

**Dear Ladies and Gentlemen!**

On behalf of the Committee on Family, Youth Policy, Sports and Tourism of Ukrainian Parliament I congratulate on the opening of the 24<sup>th</sup> Ukraine International Travel and Tourism Exhibition – UITT'2018.

Every year UITT brings together key players and industry professionals of the tourism market from the whole world. First of all this fact is confirmed by geography and the number of participants in the Event.

For opening of the largest tourist exhibition of Ukraine willingly wait not only domestic, but also foreign tour operators. At UITT participants have the best opportunity to present their own tourist routes to their target audience, learn about the most beautiful places of Ukraine and the world, discuss key issues of the industry with leading specialists, share impressions, ideas and experience with colleagues from other countries.

I am convinced that due to its popularity among the world tourist community exhibition will continue to contribute to the comprehensive development of international contacts, business partnership, development of modern infrastructure and formation of positive image of our country.

I wish you all bright impressions, useful meetings and advantageous contracts!
